Dear Sir

We have, on our own responsibility, at least succeeded in buying the Jacques Cartier Bank share of the Pictou Iron property for about \$2000—

It is almost needless & certainly unpleasant for us to remind you that we have carried this thing along now for years at very considerable worry & inconvenience to ourselves &

Having at last placed
you in a position to reduce
very materially, the price
of your property we think
we may fairly ask for
some recognition of our
services, we would not
ask for anything in the
shape of money but feel
that the Proprietors might
assign us an unassessable
share.

Faithfully Yours
