Sr Dawson

My dear Sir.

I have just received
the enclosed letter and hardly
know what to do in the
matter. I have not yet
written to Gen Brunswick
to recommend Mr Francis
as an speaker to her
about it she seemed to think
that your letter and her
position with us were
sufficient. (Mr. Birkwood)
Yrs carr

only holds our Elementary
Diploma, as she was prevented
by sickness in her Brother's
family from attending the
whole course for the
Misses John Kebleton.

She is a clever person
like all the Bethwells
who have attended the
School, and in many
respects resembles her
Brother, whom you
may ever meet.

I suppose the Congress
that I will recommend
her, but I do not wish
to stand in the way
of Mrs Francis.

As you are interested
in the situation she speaks
of, will you kindly advise
me how to act and
oblige

Yours very truly

I find that I have made
a mistake in the foregoing remarks.
