

Danville Dec. Nov. 26th 1878.
J. W. Dawson.

My dear Sir.

Your of \$12.00
was received. Am glad
that the specimens were satis-
-factory.

I certainly appreciate your inten-
-tion of writing some works in order
to send some things of service to me.

After informing you that I have
none of the species peculiar to
Canada. it may not be so bad
for you to select from the Canad-
-ian forms such as may be the
most interesting.

I am Very sincerely Yours

P.S. I will go out in W. G. Gurley
Jan'y. at which time I will go to Montreal
Should I do so I will call at McGill Coll.
