REF. 88

Dear Sir,

Columbus 30th Nov 72

I send the plate of the Cordaites. They were
received yesterday. You will find inside the
package the specimen which you had the kindness
to send me. The pamphlet of Cordaites is provin-
tional. I should be glad to hear your
marks on my views. Saporta Grand'Eury, Heer & Schimper
and the English authors also have expressed some
views in disaccord with my own. All will be thoroughly
examined. You may have the plate for a
while. If the engraver claims them I will let
you know.

Yours
Dess your
