Dr. J. M. Dawson.

Principal of McGill College.

Dear Sir.

I thank you very much for the correction of my R.R. Guide for Nova Scotia.

I will make the changes in the plates when more books are required.

I have also received the very interesting supplement to your great work Canadian Geology, which I am very glad to add to the 2d. Edition which I have. The list of typical localities on R.R.s is a good idea.

Yours very truly and sincerely  
James Macfarlane
