Prof J. W. Dawson

Dear Sir

Your postal
card of Dec 23rd is at hand.
I did not expect you to send
the books, until you had received
the specimens.

Sent box today to you, addressed
as you wished.

The fossils are all good duplicates
from my own cabinet, also in-
closed a paper written by my
father.

Hope the box will reach its
destination alright and that
you will be please with its
contents.

I have added a great many

specimens to the original list
and if you think they are
worth the duty, please remit
by mail, if not you can send
me some fossils from your
locality in exchange

Please send the books, via
American Express, address to
Victor W. Lyon, Clark Co, Ind.
U.S.A. and oblige.

Yours truly
Victor W. Lyon

P.S. would have sent box sooner
but I have been sick abed
with Neuralgial for more than
a week,

Lynn
