

Mc Gill College. March 12/79

My dear Sir,

I thank you  
for your interesting letter  
of the 17<sup>th</sup>, and  
hope you will be  
successful in the  
various explorations  
you refer to. You  
have a fine field,  
I fear however, from  
what you tell me,  
that you are working  
too hard. Be cautious

lest you overtask  
your brain.

As to the Nat.  
Hist. of New York, I  
shall make inquiry  
as to the extra copy  
you speak of, and  
shall see what  
can be done. I  
think however of  
your well to write  
to Foot Naturalists  
Agency, Philadelphia,

he could pick up a  
cheap copy for you,  
as the 1st & 2d  
vols of Hull are  
by no means scarce.  
I send you one of  
his Bulletins, which  
are useful things  
I have.

With all kind  
regards, yours truly  
Madam

W. Spencer

be much like what  
I have seen of you  
in the last 2 or 3  
years of your  
life on various  
occasions for me

in the same  
of course.  
With our best  
regards, your truly  
William F. Johnson
