we desire to make a deep impres-
sion on the minds of the young
men engaged in our work
all over the continent in
favor of a systematic & con-
nected study of the word
of God. The topical method has
perhaps been over emphasized.

We earnestly hope you can co-
operate in this work. An im-
pression of the right kind
made at Baltimore will be
extended & propagated all
next year in the 27 States
& Provincial Conventions
which will be held all

It is our desire to make a deep response
and on the account of the young
men engaged in our work
all over the continent we
favor of a systematic and
weekly study of the word
of God. The topical method has
perhaps been over emphasized
we earnestly hope you can co-
operate in this work. The in-
crease of the right kind
work on Baltimore will be
appreciated & propagated all

are patterned upon the
General meeting. You can
appreciate therefore how
earnestly solicitous we are
that a good strong blow
should be struck in
the right direction upon
this subject & by a com-
petent hand.

In hope of a favorable
reply, believe me as behalf
of the Committee

My Respectfully yours
