

Halifax, 15th April 79.

My dear S. Dawson,

I am favoured with
yours of 12th, and am
surprised to hear that
you have not received
official notice of what
was done at the Council's
meeting on 1st April
(I think that was the date.)
Did you receive any
official reply or acknow-
ledgment previously?

There is obvious neglect
somewhere. If I knew
the facts I would ferret
it out. Please drop
me a line at your
leisure to say whether
you are still without
reply, as to final action
of Council, & what
previous official
communications you
had received, & from
whom. Mr W. Gossip is

President, Mr Mellish,
Acting Secretary.

With kind regards

yours truly

George Hawton
