

Sydney Mines. C.B.
13 June 1879.

My dear Sir.

I duly received your
kind letter of 16th Ultimo.

I am much obliged for the
trouble you have taken in
looking about for a Governess
for us. You mention having
heard of a French Protestant
Lady who you thought might
suit but as we have not
yet heard from her I fear
that she is not available.

I trust however that you will
still be able to find us
some lady who will be willing
to come. I have heard recently
from my Father he enjoys fair
health. Very truly yours.

Principal Dawson
McGill College.
