

3, Sharrow Rd Terrace -
Sheffields, England,
June 17th 1879.

To Principal Dawson
University of McGill College
Montreal

Dear Sir -

I take the liberty of
introducing to you, my friend,
the Rev E. T. Scammett,
Baptist Minister, of
Huddersfield.

You will perhaps have
some faint remembrance of
me as the Minister of
Panet St. Church, Montreal,

in the years 1855 & 1856. The
Rev Dr Davis, then Classical
Tutor in the University, and
Mr Registrar Baynes, occa-
sionally assisted me in my
ministrations &c. at Parish
St. Quebec suburbs. And
I had the honour of forming
your acquaintance at the
same time, partly as a student
of Hebrew under Dr De Sola
& partly in connection with the
Young Men's Ch Association.

I have the honour of
being appointed President of
the Methodist New Connexion Con-
ference for the present year
1879-80. My friend, Mr Scammell
is spending but a very short
time in America, but I am

sure will feel grateful for
a brief interview with you -
at the University, if you
can accord to him the honour.

I am, Dear Mr Principal,

Yours very truly,

James C Watts
