Our friend General  
is desirous to have some  
knowledge of North American  
Fishes, and writes to me  
to ask us to the best  
book. It occurs to me  
that Dr Gill has written  
something for the Fishery  
Commission, bringing the  
matter up to date,

and perhaps of 800  
You would have the  
kindness to send  
a copy addressed  
to "His Excellency the  
Governor General, Citadel  
Quebec." If I am  
mistaken, will you  
have the kindness  
to inform me as

to the latest and best  
work bearing on the  
fishes of our Northern  
Coasts.

Have you published  
anything on the Natural  
History of our  
Coasts, or if not  
what is the best  
recent work on  
them?

Excuse me for troubling  
you, I believe me  
Yours truly  
W. Dawson
