My dear Sir:

Your kind note sent me in Montreal with the clipping from the Montreal Herald remains unacknowledged much to my mortification. I can only plead overwhelming accumulation of work. I not only wish to thank you for your good kind compliance with my request, but to express the sincere regrets of Mr. Drown, Miss Leyton and myself that we could not have the pleasure of spending an evening at your house. Mr. Drown is an invalid and had already overtaxed her strength, and I was exhausted

by the work of the meeting and  
by the surprise and excitement  
of the previous meeting evening.  
Let me say how much we all  
feel our obligations to you and  
to the many kind friends in Mon-  
treal who made our stay of a  
few days there so pleasant. It  
will long remain a delightful  
memory.

I am, with kindest regards  
to Mrs Dawson,

Very sincerely yours

Thomas M. Dawson
