

If for any reason
you don't want
me in a hurry,
don't hesitate
to call or write
or give me
a call.

Knowlton, 27 Oct.
79.

My dear Principal,

Your postal
card of the 22nd, which somehow
seems only to have reached
Sweetburgh after I left, reached
me here after I had mailed
you mine of the 24th.

It seems as if I never could
come to a conclusion when to
go into town. The fact is, I got
home a good deal more poorly
than I thought. And the weather
changed terribly for the worse.
To-day has in fact been my
first day out. And I have not
yet been able to determine
when I can manage to leave
for town. All I can say is
that I shall as soon as I can.
I am very anxious indeed to see
you & Mrs. in town. Yours very truly
L.H.
