Dear Dr. Dawson

Many thanks for your Post Card  
for the specimens of *Loxozoa* which  
arrived duly during my absence in London  
on some official business a day or two  
ago. I have but just returned &  
have not had time yet to put them  
under a microscope but I do not  
doubt their showing everything I want  
to know of this animal in the habit

Yours ever

very faithfully & obliged
