

My Eldest boys are 14 & 13. w^d. Proctor help them?

30 Fort St. Montreal

22nd Nov 1899.

My dear Mr Principal,

May we consider you as pledged to the Douglas Church for a lecture on Monday 2nd Feb? Will this date suit you & w^d. you kindly let me know the subject by Say 10th Dec?

Might I trouble you to give me your opinion as to the relative value of Prof Proctor's lectures? George Muller proposes to give an ap of his faith work next Thursday or Friday. I w^d. like to hear all Proctor's lectures, but as that cannot be managed which do you think might be best neglected - Your introductory lecture at Stanley St. gave me several new ideas -

Ever gratefully yours
