Mr. W. Dawson F. R. S.

Montreal

Dear Sir:

Permit me to express
my great satisfaction with
your paper in the Princeton Re-
view of Nov. I was especi-
ally interested in that por-
tion which treated of 'the Ex-
odus' - and would like
to secure the report of "The
Ordinance Survey of Sinai"
to which you allude.

R.S. - has having one of your 01 tanks of order
a skin -

may I trouble you to
tell me the exact title
of the book, and by whom
it is published.

Hoping that
we shall have the pleasure
and the profit of reading
such papers from your pen

I am respectfully

Yours

Charles Hill
