Western Chambers,

Montreal, 27 Sept 1850

Messrs Lawson
& Co

Your note has
reached me this moment & I
hasten to say that I have sent
it to Mr. Cushing. I will
gladly see & load my
share & pay off the debt
if it can be done. I
have also written Mr. Cushing
that he must make up
the statement for you as he
has all the accounts &
papers & I have twice the
work in hand now that
I should. He has my
accounts & should be able to
make up a statement easily for
Messrs
