

Hamilton George St. No 26

Feb. 7th 1880

Prof. Dr. Newton

President of the Free University, &c &c.

My Dear Professor,

I write

to inform you of the success
of your kind influence in my
behalf. The Hamilton Board
has been so thoroughly satisfied
with my "teaching ability" &c &c
that I have received Dr.
Spencer's position. The Doctor's
Salary was only \$800.00

They have made mine
\$1000.00. I am also
promised all the means
I need to make the
Scientific Department
of the School represent
something. Dr. Spencer
will be not a little
surprised at this action
of the Board. The reputation
of the same in his time
not having been of the
most flattering kind

I am glad to have
work - The disappointment
of the London has completely
worn away &c.

You will please
accept of my most grateful
thanks for the thoughtful,

kind, self-sacrificing
interest you have freely
taken in me - I assure
you it will be my constant
endeavour to make and
keep myself worthy of your
confidence. Most respectfully & gratefully
Yours R. B. Ware.
