Dr Dawson

My dear Sir.

I have spoken
to Professor McGeer
with reference to your
remarks to me yesterday,
and I will merely say
that he considers that
if your presence at

The Teachers' Meeting on
Friday should be constituted
into a Resue to all
éclat to the (use his
own word) under ~~the~~ the
present arrangements of
the Association, it would
not be beneficial.

I am, my dear Sir,

Yours truly

J. M. H. H. H.

Teacher of
