Dear Sir, Flattsport
Feb. 12. 1880

I have just received your letter. I am sorry you wasted 12 dollars in so bad a cause. But who knows but the Lord may get you Ben. after all. At all events I do not condemn thee. I have written to Rev. Mr. Gorman to enquire if he get home. But "I bet" he sold the ticket in sum - He is a sad case. I send you a brief Circular, and a sample of Latin Rhyming. I shall be glad to get your book. Silas Y. Rand
