Dear W. Dawson

I recd your note of today & have had no time to Comm: sent as written. - by W. Lead

I think it a pity that our resolution be got into the paper so soon, because until it is fully decided to be written the possible, - it should not be too public. - Known with a large meeting, there will always be some one to run to the papers.

G. W. Stephens has told me something of your views as to the name of the Hall. - But I
