Dear B Dawson

Chuck says that
he has no ticket; he
has your note expecting
him to speak. - Is this
an oversight, - or did you
intend the note to serve
as ticket. Perhaps
you had better send
me one for him, as the
card says "shew at
the door". -

We have a meeting
here at 4. -

Would it be convenient
for you to send us, so

that we may calculate
somewhat the cost of
wards & names of
speakers to each
As far as arranged

The bearer will wait
answer if you are
at college

Yours faithfully
J. Manning
