A. B. CHAFFEE,
Secretary and Treasurer.

MONTREAL, 20th April 1880

My R. Robt. Dawson

In reply to your letter of 15th inst
in reference to your son W. B. Dawson
Esq. I have already had an introduction
to him through Alderman McCord and
have promised to use all my influence
to have him connected with the construction
of the contemplated tunnel. As President
Esq.

The scheme is in its infancy, as yet. And
until a charter is obtained for its construction
I don't think there will be but little done
about engineering.

I am not at present one
of the promoters of the scheme - but I know
a number of the parties, and have been
wished to join in the undertaking.

Anything I can do to assist you in
the connection with it, I shall be most
happy to do.

W. B. Dawson
Pres. of the Montreal
Montreal

Very yours
A. B. Chaffee
