

Knowlton, 20 Apr-
80.

My dear Principal, I have found
it impossible to get off, or even to write
to you sooner. But I write now to
say that I am earnestly busy over
our Collep work at last, & fully
count on reaching town by Friday
forenoon. I cannot promise for
Thursday; indeed, it is all I can
do to promise for the day after. I
must, however, bring in then with
me, my draft of the Amending Stat-
ute wanted for the day after that.
I must, too, be able (with my wife)
to stay in over Convocation, & to
give the greater part of my time &
thoughts for the week to our Collep
matters.

Are you sure on so coming to
quarter ourselves on your hospital-
ity, will not be an over-implication?
I think I am on the whole rather
better than when I last saw you.
But my wife is in honor at the
thought of our being a worry to
any of our friends. Would you doubt
at this ever so little, of whatever
account, pray, do - whether before or
on our arrival. In haste
Yours most truly
Wm. W. Sullivan.
