Dear Sir

It is now determined to
organize a Christian Summer
Training College at the Thousand
Island Park to hold its ses-
sions Aug. 22-26 inclusive.

The special object of the organ-
ization is to discuss such
subjects and methods as will
be most helpfully suggestive
to lay workers and evangelists.

We hope also to reach practical
results on the ground in reaching
and saving such as may
come under our influence.

In other words we hope for
a season of spiritual refresh-
ment while we strive to

left up a high standard
of Christian lay work about
as to its methods and general
character,

The authorities of the Park
have invited me to superin-
tend the meetings, arrange-
ment of the programme etc.
In company with them we
earnestly invite you to
name the times on which
you will visit the Park
during these meetings, and
a topic that you may please
to discuss. Will you be so
kind also as to suggest to
me such topics as in your
wisdom may be most helpful
for lay workers to consider,
and also to make any sug-
gestion in reference to such
a meeting that your extensive
knowledge and experience ~~may~~ so
well qualify you to make
with great respect yours etc
