

Quebec  
17<sup>e</sup> June 1880

My dear D<sup>r</sup>. Dawson

I hope that I will have an opportunity, after the Session, to discuss with you, the subjects alluded to in your recent letters. As the School Bill will not be pushed through this Session we shall have every opportunity of discussing its details and I sincerely trust that the end may be satisfactory to us all -

Yours very truly  
H. W. Lynch
