My dear Sir,

As you directed  
I communicated with M<sup>r</sup>  
Lynch and The Superin-  
tendent in regard to the  
postponement of our next  
quarterly meeting till the  
last Wednesday of September.  
M<sup>r</sup> Lynch says in reply  
"Arrange the matter with  
G<sup>r</sup> Dawson, and I will be  
satisfied". The Superinten-  
dent's answer is, "That the

meeting must be postponed  
to the first or second Wednes-  
day of October next in con-  
sequence of the Dominion Exhi-  
bition which is to be held at  
the end of next September.

The first Wednesday of  
October falls on the 16<sup>th</sup>.

Would that day suit you?

I shall write the Bishop to-  
day to enquire whether that  
time would suit him.

Many thanks for  
your thoughtful kindness  
in sending me the Witness  
with extracts from Scherer's  
article on the French Re-  
public and the Catholic Church.

I read it with intense interest.

It is a true exposition of

the teachings & tendencies of  
the Roman Church. She  
is true to her motto - always  
the same, and her supremacy  
in any country makes civil  
& religious liberty impossible.  
Are we doing our duty to  
those under her thall in  
this Province? Is there  
no way of reaching them?

I hope you are  
now enjoying some rest  
after your many arduous  
duties - I am sure you  
greatly need it.

Yours very sincerely  
George Wren

P.S. I see the \$500 for  
an English Journal of Education  
has been voted.
