Rev. L. W. Dawson L.L.D.:

Esteemed Sir:

I am preparing  
a work that necessitates a more extended  
knowledge of the geology of Canada  
than can be drawn from the  
work at my command. Will you  
please inform me how I may  
get the <sup>Reports of the</sup> Geologic Survey of the  
Dominion of Canada?

Very Respectfully

Yours,  
C. W. Larison.
