Dawson

New Haven - Oct. 8. 1880.

Dear Dr Dawson: -

This morning saying that I would make
the change you spoke of respecting the
+ Spinal. - Turning to the last edition
of the Manual, that of 1880, used
at the close of 1879. Page 159, I find
that I have already dropped the
statement. This last edition has
the Dynamical part mostly rewritten - I send
you a copy
