J. Nelson
Palace Hotel.

San Francisco, Oct. 12th 1880.

Dear S. Dawson

I took the liberty of naming a tree after you in the Palace as you - also one after my friend Dr. Francis Thiel - An article by me in the paper in the "Alta" I sent to you, and trust that it reached you in real safety.

I have had a very pleasant trip, excepting the Yellow Fever - at the Isthmus the latter nearly carried me off. I pulled through thank Providence - and proceeded on my journey - bound to visit ports en route, in Central America.

and Mexico. - Proceeded to
Victoria B. Col. up the Fraser
River to Balm Bar and back,
thence to Rupert Id. ports on the
same - visiting Mining localities
etc. - thence to Orepow, up the
Col. River. Back to this and
then the Big Tree groves -
Yosemite. I have
and am now doing
I have a small

suits my Lung trouble. The
pleasure of my journey has
been greatly heightened, by the
kind instruction received at
your hand - With kind regards.
Yours sincerely

and Mexico. - Proceeded to
Victoria B.C. - crossed
River to Bolin
then to Puget
Sound - visiting
etc. - thence to
Col. River. Ca
then the Big
Yosemite. I
and am now down California.

I have a small collection of
spec. of various birds for the
Museum that I shall send
in later, if acceptable.

I shall return to the
City of Pauana and there
practice. Pauana itself is
not unhealthy. - The climate
suits my Lung trouble. The
pleasure of my journeying has
