To
Dr. J. W. Dawson
Principal McGill College
Montreal

British American Bank Note Co. Montreal

I and John
 126 Broad
 St
 New York
 I have been
 with much interest
 your pamphlet on the
 Palmyra land and
 of have not met with
 anything resembling the
 specimens you refer to
 the fossils of the
 years ago, but may have
 gathered them among
 the fossils of the
 and engaged on the most
 but of great value
 yours truly
 James Smith
