Dear Sir

As I must call a meeting
of the Finance Committee for
Tuesday afternoon (23 Inst) will
you send me a statement of
your collections and payments so
that I can lay it before the Committee

I must say the present ~~position~~
position of the accounts is unsatisfactory
and I hope you will come in as
soon as possible and have the
statement made out, so as to show
how you stand with the Society

If you are proposing to be here
soon perhaps you could be present
on ~~that day~~ ^{that day} Tuesday

Yours

James Coust
