Day Dec/80

William Richardson
4th Dec 1880

My dear Dr Dawson

I am very sorry
you should have had
so much trouble looking
for me and all in vain
— I wished to go to you
to confer on some of
the matters mentioned
in your letter — but the
pressure of work made
necessary

necessity by Mrs Holmes
death and the difficulty
I have in moving about
presented - I propose
going to Town Tuesday
but you will then be
gone - I will endeavour
to attend the meeting of
foremen on the 18th I hope
we may then meet -

Mrs Day desires me to
thank you and Mrs Dawson
for your expressions of
sympathy and joins me
in kind regards -

Yours truly
W D Day
