

D. W. Dawson

21st Dec. 1886

My Dear D. Dawson

We are binding a series of College & University Calendars for the library; but I find, on consulting the Librarian, that he has Calendars of several Colleges, but no Annual Reports. If you can spare any copies of the latter we shall

be greatly obliged by a
gift of them; and
shall be happy to
return any equivalent
in Calendar, Examina-
tion papers, or the
like that may be
wanted.

I am looking forward
with earnest longing
to a brief rest at

Dear. You, I doubt
not, can appreciate
the prospect. As for
me it has been
endless toil and
trouble from morn
till night, almost
since my landing
in Sept. Things
however are getting
in order and good
working trim.

All kindest and
best wishes for the
Iliad season to the
Megill friends.

We look for a
representative of it
to add brightness
to our own.

Yours faithfully

Dr. W. W. W.

Dr Dawson,
Principal,
Mc Gill College.
