Principal Dawson

My Dear Sir

At the request of Dr Hamont  
I came up here to assist him in some  
special services he is holding this  
week. The interest appears to be deepening  
21 persons having remained at the Close  
of the meeting last evening to be prayed  
for and spoken to. I think it my  
duty to remain over Sabbath and  
will to ask if you would kindly  
take my Bible Class for one. It is a  
very interesting Class, and besides  
those who have already signified  
their acceptance of the Saviour  
I know a number of them are  
under conviction. It maybe

that the Lord will use you,  
if you can be with them on  
Sabbath, in deepening it, and  
in leading some more to ac-  
ceptance.

I would ask an interest in  
the prayers of Mrs Dawson  
William Eva Rankin, and  
yourself on behalf of the work  
of the Lord here.

Would you please let Miss  
McCauley know if you can take  
the Class that intimation may  
be made in the morning of Sab-

Yours very sincerely  
James McCauley
