My dear Sir

Many thanks, I

send the proofs of your
valued communication

if you will kindly correct
it for the press.

Professor J. McKenny
Hughes has sent a letter
saying he agrees with

Dr. Saw the all. And. the
disturbance of the earth
by diff. water the
discoveries of Professor
Whitney wholly ~~unreliable~~,
and it is the history
of the road in the rocks

Yours very truly
J. D. Smith

Up to the 8th January we
had 18 members to name this

years number. which I
trust will reach 100.
as usual.
