

26th Jan'y 1881

McGill Normal School
Montreal.

Dear Sir,

At the Council
Meeting last night it
was resolved that the list
as proposed at the last
Monthly Meeting should be
adhered to for the Smewille
Lectures.

Your lecture will thus

open the Course on
Thursday, February 3rd.

It was decided to
make your paper on
Fossils the paper for
the monthly meeting on the
31st inst.

Dr Osler may also make
some remarks on Canadian
Pterygia. I am,

Yours truly

Principal Dawson College
Notre-Dame College
St. N. D. Bay
