

B. R. 7<sup>th</sup> March /81

Dear Dr Dawson

I am obliged for  
your note of the 2<sup>nd</sup> giving  
me an account of what  
was done at Quebec in  
Educational matters - It  
was I think a wise move  
to adhere to the old legislation  
and not to attempt to amend  
Guizot's Bill -

I had seen in the newspapers  
the discussion about the  
removal

removal of the Logan  
Museum. It is a gross violation  
of facts and were well  
enough I should be tempted  
to go to Ottawa and have at  
least the satisfaction of scolding  
at the people there. The  
coolness with which  
Mafius letter is ignored is  
most provoking -

You will be sorry to hear  
that my foot is troubling  
me a good deal and  
keeps me part of the time in  
bed where I now write. I think  
the worst is past however I hope  
in a few days to get to Town where  
my presence is much wanted

Hoping

Hoping you are all well  
and rejoicing in the approach  
of Spring I remain with  
kind regards

Yours sincerely

did not go yesterday - I am

by an army. ~~As there~~ any thing
