Prof. J. W. Dawson, D.D.

Dear Sir:

Your letter received on Saturday  
was read at the meeting of the Theolog-  
ical Society this afternoon. They  
much regret your declination of  
their invitation, & instruct me to  
inquire whether you could not find  
a week for the lectures we desire, at  
some later period of the year. Our  
Session extends from the middle of  
September till the early part of May,  
with a recess of ten days at Christmas,  
& we would make our arrangements  
to be ready for you at any time you  
might prefer.

As our circular is about to be

issued, may I ask you to telegraph  
me, at my expense, & if possible  
in the affirmative.

Yours very respectfully  
Gerrit & Day  
Secy.
