DREXEL THEOLOGICAL SEMINARY:

Madison, N. Jersey, April 22 1881.

Principel J. W. Dawson D.D.

Dear Sir,

It would be a great gratification to the friends of Drexel Seminary if your services could be secured to give us from 3 to 6 lectures on the present state of the relations between Science & Religion or some kindred topics.

May I ask what your terms would be if you can entertain the proposition. It is a Seminary of the Methodist Episcopal Church. I send you

you herewith a copy of our
last year's Catalogue, tho' one
for this year not being printed
as yet.

I may add that we
have no funds for such a
Course of lectures, but hope
to get one, & would like your
presence as a beginning of
such course.

Please give our statement
of your terms. The lectures are
to take place during the
next Sem. year which
begins in Sept. next. I am
not sure that we can pay
what you will ask, & I know
we cannot pay what they will
be worth, but I hope you will
not regard our offering as in-
proper. -
Yrs very truly
