My dear Dr Dawson

I am commissioned
by our College Council to write
and ask you whether it will be
possible for you to attend our
Convocation for the Conferring of
Degrees in Arts & Divinity on
Friday, 24th June, and whether
you will do us the honor of
accepting from our University the
degree of D.C.L. honoris causa,
as a mark of our high apprecia-
tion of your distinguished services
to Science & to the Cause of Educa-
tion in this Country. I need

Scarcely add that it will be a
source of great personal satis-
faction to me if you can see
your way to falling in with
our desires.

Believe me to be
very faithfully yours
J. A. Lobley.
