Principal Dawson L.L.D. &c.

Dear Sir,

I have received from  
Jefferson College, Pennsylvania, asking if  
I can procure for their museum a specimen,  
large or small, of Cocoon Canadense.  
As you were the first to call attention to  
it as Animal remains, I take the liberty  
of asking whether or not, you have any  
specimens in your museum which you  
would be willing to dispose of or to exchange.  
If not, would you kindly suggest where  
I might be able to procure one?

I remain

yours very truly

A. W. Quarré
