My dear Dr Dawson

The enclosed tells its story. I  
shall not have time to study again  
the Devonian fossils before autumn  
& shall not reply to Dr Hagen at present.  
Your best way therefore will be to  
publish it at home

I sent Matthew's letter to the  
Museum & returned to M. a letter  
from Hensler saying that nove  
of Hartt's species in the museum  
were labelled

Yours truly

Sam'l H. Scudder
