

Mc Gill College.

June 10/87

My dear Miss Steward,

I have received
yours of May 19, and
also the photograph
referred to for which
I thank you and
shall place it in
our Museum. It is
taken from a very
large and perfect
specimen found by

myself at Petite Nation
and now in our
collections here.

I have not yet
heard that Mr Grant
has succeeded in offering
a settlement of the
claims of the estate
on the Govt. any farther
than to have an
acknowledgment of
a portion of the debt;

but I shall hope to
see him before doing
this and shall
inform you if anything
has been done.

Truly yours
W. Dawson
