Dear Dr. Sawson,

Accept my
very sincere thanks
for your book so
kindly sent on
Friday - I shall
have great pleasure
in reading it - And
only wish that your
time were more free
^{so} that you might be

able to devote myself
to those subjects in
which you so much
delight. —

If it were in my
power how gladly
would I rich, in
serving your mind
of the present projects
about the college
but as I dare say

you are aware,
I am not my
own mistress to
use money as I
would, so I can
at present only
give you my
most earnest prayers.
Trusting that some
truly useful friend
to the College may

So raised up -
I am with kind
regards & best wishes,
Yours sincerely
