Principal Dawson

Most respected
Sir, pardon my temerity in
coming to you for the purpose
of having the following questions
answered.

I am aware that the
questions asked are virtually
one and the same; but for
several reasons I wish to
have them answered seper-
ately.

1st - Is the current month
nearly July of 1881 or 2 A.D.

2^d - If a man was born in A.D.
1800 in which century was he born
By giving a reply to these
questions you will exceedingly

oblige a very earnest inquirer.
I remain Yours &c.
Angus McKillop.
