Principal Dawson, Montreal
My Dear Sir

I wrote you some time ago that John Reid of New Glasgow had offered \$100⁰⁰ for your 17 acre lot at deep water point East River, which was considered to be too low. He has now offered Ten Dollars per acre say \$170⁰⁰

The depth of water at the point would make it worth more for a Manufacturing establishment, but I understand there is no spring or stream of water on it, which would be necessary for machinery. This comparatively neutralizes the River advantages. Please say whether

you will accept this offer and if so
I shall give him a deed as your
attorney and will send the purchase
money. With kindest regards and
remembrances to yourself Mr Dawson
and family. I am

Yours Very Sincerely
James Finmore
