Dear Sir:

May I ask you
to give me some information on
School Law? The trustees of this
Academy
school engaged me to come here
(from Kingston my home) teach. ~~this~~
I told them in my letter that
I was only a student of Queens.
They made me to think that
it with my qualifications, I
would be accepted here.

Would you receive my pass
marks from Huron as an equiv-
-alent on the Academy diploma?

Will you please send me
your balance?

Were I a graduate of your
University, what should I
have to do in order to be
Head Master of an Academy?

Your kindness will oblige me.

I have the Honor
to be Sir

Your obedient servant

efficiently draw the government
grant, without further quali-
fication?

Where can I get a set of Exam-
-ination papers; and where can
I get a list of the subjects
for an Academy Diploma?

Should I hire ^{a B. A. and teach as} an assistant
myself, what would he have
to do, if from a graduate from
Ontario or from the U. S., or were
she a M. L. A. or a M. B. L. from
