

Palmer House
Chicago
8th. Dec. 1881

My dear Doctor,

Until my arrival here two days ago, my future plans were quite uncertain, but having now decided to visit Montreal on my way to New York, I telegraphed to find if you were at home just now, and this morning received your kind reply.

I leave Chicago on Saturday afternoon for Niagara, and will either reach Montreal on Monday morning or evening.

A Sunderland friend has been traveling with me from San Francisco, but he goes on to New York from Niagara, in order to catch the "Sovic".

I shall be delighted to get into a home once more after ten months incessant traveling.

With kindest regards,
I remain,

Yours faithfully
Arthur H. Crow
